

## DO YOU NEED HELP PAYING FOR CHILDCARE?

Childcare Resources of Indian River is a private nonprofit organization offering childcare tuition assistance to qualifying families in Indian River County.

Each adult in the household must:

- Work full time, attend school full time, or a combination of the two equaling full time
- Live in Indian River County
- Meet the income eligibility requirements

Children are placed at one of 7 high quality, nationally accredited childcare centers in Indian River County. We place children aged infant through pre-kindergarten.

Our goal is to help those who fall just over the income eligibility limits for federal and state childcare assistance programs. If your income is within the figures on the chart below, we may be able to offer you some help with childcare expenses.
